Rules & Regulations

- Riders must collect their racing plate number on the Friday March 29, 2024 from 8:00 am to 10:00 am under the registration tent at the Jordie Lunn Bike Park Clubhouse
- All riders have to register and sign the waiver first before going on the track for free practice
- Riders are encouraged to use BMX, pump track bikes, or mountain bikes. The bike must not have an engine. The bike must be in good working condition. The organizer reserves the right to refuse participation if the bike is deemed unsafe or unsuitable.
- Riders must inspect the **Velosolutions Pump Track** course on foot before the start of the competition.
- It is MANDATORY to have race plate numbers installed on the bike even for free training
- The start will be placed in a way that gives MTB and BMX equal chances.
- Riders will go one at a time.
- Riders get ready with one foot on the ground, the other foot on the pedal,. The time starts running as soon as the rider crosses their start/finish timing line and stops when they cross it again
- All riders must qualify. Minimum age: 11 years
- Parental authorization + identity card of parents for all riders under 18.

Rider Safety

- Riders will bring all equipment needed in a fully operational condition.
- The bike should have at least 1 rear brake.
- No bikes with any kind of automatic transmission, pedal-assist motors, or engines.
- No protruding parts on the bike, which can injure other riders (such as pegs).

Protective gear.

- Helmet: open face mandatory, full face recommended.
- T-shirt is mandatory, long sleeve with pads is recommended.
- Long pants or knee protection is recommended.
- Shoes mandatory, no flip flops or open shoes.
- Gloves recommended.

Qualification Process

FRIDAY MARCH 29

There will be compulsory free training session from 8:00 am to 10:00 am for all riders on the Friday March 29, every rider will have to do a run on the course defined by the organizer for this qualifying heat.

- Qualifications of Time Trial will take place from 11:00am to 3:00 pm on the Friday March 29.
- Rider Briefing will take place at 10:30am
- Qualification will be validated by a chrono time
- The riders will start one by one in descending order of race numbers, from highest to lowest
- 2 runs of 2 laps. Only best time counts. Results will determine qualifying.
- Following this qualification run, only the x32 best times men and the x8 best times women will be retained to establish the ranking of this qualifying heat and determine the starting line up of the final heats for the following day

SATURDAY MARCH 30

There will be compulsory free training session from 8:00 am to 10:00 am for all riders on Saturday March 30.

- Rider Briefing will take place at 10:30am and Elimination Start Grid will be presented.
- Elimination Heats will take place from 11:00am to 3:00 pm.
- **The final will be held at 3:30pm.**

Starting procedure:

- Riders start from the designated start area and take a flying start on the track in a counter clockwise direction and do one lap of the track.
- Timing will begin when rider crosses the timing area.
- Timing will end when rider crosses the timing area again

Riders may incur a time penalty in the following cases:

- Passing from one course to another
- Hampering the progress of riders who want to overtake them
- Not finishing the race on their bike
- False start or contact with the starting gate

GENERAL PROCEDURES

REGISTRATION

The number of registered riders will be limited to 50 men and 30 women riders. Every person wishing to participate in the JORDIE PUMP JAM race will have to sign up online at

Link : <https://zone4.ca/event/2024/N0zV5Q/>

REGISTRATION FEES / INSURANCE

For Cycling BC Members: The registration fee is a fixed \$25 for Youth and \$35 for Adults.

For Non-Cycling BC Members, participants are required to purchase 1 Day Insurance for \$5: The registration fee is \$35 for Youth and \$40 for Adults

Registration will only be complete after receipt of the full payment.

INSURANCE

Cycling BC Members will have to present their membership license during the collection of their numbers.

Non Cycling BC Members will be required to fill and sign a 1 Day insurance form online or on a printed copy.

REGULATIONS

The race director oversees applying and regulating the rules throughout the race. Any queries will be passed over for a clear decision from the jury.

Also, any case not planned for in the regulations will be considered by the jury who have the final decision

TECHNICAL VERIFICATIONS

- Bicycles have to be in a good general state, no split frames and the brakes must be in good condition. Inspections can be made at any time.
- Wheels 20 inches minimum and MTB helmet are compulsory. (full face optional) Knees& elbow protections are strongly recommended.
- If the organization finds a mountain bike or protections that do not comply to the above criteria, the rider will not be allowed to take part.

CHECK DURING THE RACE

Numerous marshals will be placed all along the course to cite any infringement of the rules. Their reports will give to the jury the decision-making power as when to award penalties.

ADVERTISING / SPONSORSHIP

Riders are permitted to apply any advertisements on their mountain bikes. However, riders must use the front number plate supplied by the organization.

The front number plate must be fixed on the bicycle in the allocated area without modifying or masking the advertisements of the organization.

Each rider will give for free his image rights to the organizers for press, TV, internet or social media purposes.
